Dates: Apr. 7, 14, 21, 28, & May 5, 2016

Duration: 5 days

Time: 8:30 am – 4:00 pm

Price: \$750.00 + HST

***This course is Gold Seal accredited (5 Credits) ***

CONSTRUCTION
ASSOCIATION OF NOVA SCOTIA
Building with Skill and Integrity Since 1862

Who Should Attend: Designers, Consultants, Contractors, and Suppliers.

PCD is an introductory course that will enable students to have a better understanding of construction documentation (specifications, drawings and schedules), products, bidding procedures and contracts. The PCD course is a prerequisite for all other CSC courses and for the Certified Technical Representative (CTR), Certified Construction Contract Administrator (C CCA) and Certified Specification Practitioner (CSP) designations from CSC. Successful completion of the PCD may be credited toward the experience component requirements for the Registered Specification Writer (RSW) designation.

Topics:

- Construction process
- Production of construction documents
- Forms of contract
- Codes and standards
- Risk managements issues
- Legal issues
- Building science
- Contract administration
- Communications
- Trends in the construction industry
